# ZURICH

The Zurich Collection embraces the essence of modern minimalism with a touch of warm sophistication. Defined by clean lines, seamless surfaces, and a rich materials such as wood and/or lacquer, each piece brings a refined, contemporary feel to any interior.

This new edition introduces an exclusive selection of updated materials and finishes, enhancing both durability and visual appeal. The subtle matte texture and aesthetic create an understated elegance, while the horizontal bands design promotes style without compromising on functionality. Perfect for interiors that value both **form and function**, this collection is where timeless design meets modern, this time with a fresh upgrade.
